In the Matter of:

SOUTH KENTUCKY RURAL ELECTRIC)	
COOPERATIVE CORPORATION THAT ON)	
DECEMBER 21, 1992, IT WILL ADJUST)	CASE NO. 92-520
CATV ATTACHMENT RATES AND OTHER)	
NONRECURRING CHARGES)	

O R D E R

On November 20, 1992, South Kentucky Rural Electric Cooperative Corporation ("South Kentucky") submitted an application to the Commission wherein it proposed to increase certain nonrecurring charges and rates for cable TV ("CATV") pole attachments effective December 21, 1992.

On December 17, 1992, the Commission found that further review was necessary to determine the reasonableness of South Kentucky's proposed rates and suspended the effective date for five months from December 21, 1992. On January 11, 1993 and January 29, 1993, the Commission requested additional information from South Kentucky.

South Kentucky states that it has reviewed its costs associated with connecting and reconnecting service; processing of returned checks; meter tests; and CATV pole attachments and determined that the costs to provide the services are more than the rates being charged. South Kentucky provided cost support for the requested increases in nonrecurring charges. The proposed increase

in the CATV attachment rates and charges are in accordance with Commission's 1983 Order in Administrative Case No. 251-48.¹

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, finds that South Kentucky's proposed rates as set out in Appendix A to this Order are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The rates and charges set forth in Appendix A, which is attached hereto and incorporated herein, be and they hereby are approved effective with service rendered on and after the date of this Order.

2. Within 30 days from the date of this Order, South Kentucky shall file with the Commission its revised tariff sheets setting out the rates and charges approved herein.

Done at Frankfort, Kentucky, this 8th day of March, 1993.
